

South Cedar Greenhouses  
01/14/2019

Greetings from SCG to our Fundraiser Customers:

I, Bill Bernauer will be taking over the fundraisers this year.

It's time to start thinking about spring fundraising. Hopefully you had a good experience with South Cedar last spring. Thank you very much for your business.

The following page has suggestions for your upcoming fundraiser. Please choose plants from that list. Some of our fundraisers take orders for simply sun or shade hanging baskets and have been pleased with the results. I would suggest you add a sentence to your order form to say there is a chance that substitutions may be necessary.

As soon as you decide on your sale items and your preferred delivery date, please let me know by email. Please have your orders in by email by Wednesday March 27, if possible. If necessary, you can email me final totals after that date. Look for a confirmation from me to show that I have received your list.

I will need a completed sales tax exemption form from your organization. Please email me a fax number and I will send you a form.

If you have any questions or suggestions, please let me know.

Thank you.
