# SOUTH CEDAR GREENHOUSES

23111 Cedar Avenue South • Farmington, MN 55024 • 952-469-3202 • Fax 952-469-5335

2020

Here we are, starting a new year. South Cedar Greenhouses is looking forward to working with you. Past customers we would like to thank you for your business. We hope to work with you again this year.

The succulent craze continues. If you love succulents like we do, then you must come down to see our enormous selection. We are now offering succulents in three sizes, adding a new 3" size in a 32 count tray. We have doubled our production of our succulent dish gardens that sell so well.

We are continually striving to improve our service. To help accomplish this, we would like to encourage customers to use our online order form. Online ordering will be ready on January 10th. Find us at [www.southcedar.com](http://www.southcedar.com). When using the form, it is not necessary to print your order. We will email you back a copy of your order within one to two business days. Remember to look for the diamond mark in the catalog for newer selections.

In an effort to keep our prices low, a 3% convenience fee will be added to any payment made with a credit card, except for orders paid at the time of invoicing.

Visit us at the MNLA Northern Green Show at booth #1730, on January 15th and 16th. This would be a great time to stop by and look at the wide variety of plant material we are offering this year.

Wishing you all a successful year in 2020.

*Andy Leipnitz, Judy Leipnitz, and staff.*
