

SOUTH CEDAR GREENHOUSES

23111 Cedar Avenue South • Farmington, MN 55024 • 952-469-3202 • Fax 952-469-5335

2021

We appreciated the business in the Chaotic 2020 season. Strong plant sales was a nice surprise. Growing our plants in early spring helped keep us sane during the difficult time.

This year we are including a list of gallon perennials that will be available in the middle of May. We do not offer gallons on our Online Order Form until then. All of the other plants in the price list will be ready for shipping in early April. We have a huge selection of perennials (approximately 350 varieties).

We are continually striving to improve our service. To help us accomplish this, please use our online order form. Our online order form will be in operation on January 6th. Find us at www.southcedar.com. When using the form it is not necessary to print your order. We will email you back a concise copy of your order within one to two days.

Remember to look for the diamond mark in the catalog for newer selections.

The succulent craze is going strong. This year we added cactus to the program, they can be found in the Potted Plants on page 5 of our price list. We are now offering the succulents in four sizes, adding a new 10" size this year. Last year the 3" size was a hit. The 3" come in a mix of 8 varieties in a 32 count tray. Due to demand, we have quadrupled our production of succulent dish gardens. Dish gardens are trending.

In an effort to keep our prices low, a 3% fee will be added to any payment made with a credit card, except for orders paid at time of invoicing.

Wishing you all a successful year in 2021.

Andy Leipnitz, Judy Leipnitz, Alice McMillan and staff.
